

# AUT-114A-01 (LAB)

## Day one assignment:

The assignment has to be sent in or dropped off before the second day of class for attendance and 10% report.

Choose the assignment that best fits your situation at CPCC-

1. If you are a new student to the automotive program –  
Please explain in two paragraphs why you chose CPCC and the automotive program and what your future plans are once you graduate.
2. If you are a current student in two paragraphs explain how the program has helped you in getting your career started. Also, why did you choose this class?
